Gentlemen:

Reference is made to the subject contract and more specifically to the monthly progress reports required thereunder.

This is to advise you that we have recently been experiencing some delay in receiving the monthly progress reports. It is the intent that these reports be submitted promptly (no more than ten (10) calendar days after the end of the particular month) so that the information is fairly current and meaningful. Therefore it is requested that these reports be brought up to date as soon as possible and that all future reports be submitted on a more timely basis.

Thank you for your cooperation in this matter.

Very truly yours,
